

COMMITTED TO EXCELLENCE

Kirby Building Systems – India sponsored the Steel Construction Summit 2016 event – the only flagship event organized on Steel Construction industry by MX Business Media. Kirby India was one of the Silver Sponsors of the event which was held on 28th September 2016 in Mumbai and focused only on promoting steel buildings across all the segments. The event was attended by more than 200 people from different domains such as consultants, contractors, architects, builders, etc. who form a part of stakeholders of steel construction industry.

Mr. D Raju, MD - Kirby India who was a special guest invitee was bestowed with a memento on behalf of Kirby India who is one of the foremost members in supporting the organizers aim of promoting steel construction right from the beginning. Mr. Raju was also part of panel discussion which highlighted the emerging challenges of using steel in high rise buildings and changing landscape of Indian construction industry with new construction technologies such as PEB.

Mr. P V Mohan, Director – Commercial gave a presentation on Pre-Engineered Steel Buildings (PEB) – Trends & Challenges during the seminar. Mr. Raju and Mr. Mohan were awarded with customized memento each for supporting and being a part of this event. This event enabled Kirby India to showcase its market leadership and further strengthen its relationship with both existing and future potential customers.
