

## COMMITTED TO EXCELLENCE

## Kirby Building Systems Reaches out to customers in Kenya

### Build Expo Africa, Kenya 2017

Kirby Building Systems recently participated in the 20<sup>th</sup> International Building and Construction exhibition in Kenya i.e. Build Expo Kenya 2015 from 20 - 22 April 2017 at KICC - Nairobi, Kenya. The Exhibition is East Africa's Largest International Building and Construction Trade Fair and witnessed exhibitors from 40 countries and visitors from 16 countries with 6000+ professional Visitors. The Exhibition caters to the demands of the whole region of East Africa.

The event was quite a success and met the targeted objectives of increasing the brand's awareness, and capturing necessary marketing insights on the latest construction industry conditions, activities, tools, and trends. It also provided Kirby with the opportunity to speak to consultants, builders, contractors, project managers, engineers, and government officials, as well as giving it a forum to demonstrate its capabilities in the metal construction industry.

Kirby Building Systems has been manufacturing steel buildings and supplying them in Middle East & Africa for over 40 years. We are among the world largest Manufacturers of Pre-Engineered Steel Buildings and have been supplying steel structures across the Globe.

Kirby is actively participating in industry events, conducting training sessions and meeting customers to increase awareness of our renovated value proposition and channel to market initiatives to drive business volumes. Kirby will continue to utilize all such opportunities to strengthen its Industry relationships and reach out to our Customers.
